

PMP® Exam Prep Boot Camp

PDU's - 35

Course Description: This fast paced boot camp prepares each participant with all the core competencies to pass the PMP® the first time. We teach you the terms, processes and skills to pass the course with minimal post course study. Also, learn methodologies for taking national tests. This course will follow the Project Management Institute's nine knowledge areas of *PMBOK® Guide*.

Method of teaching: Students will learn tips, techniques and processes through webinars, which can be accessed 24/7 and completed at their own pace. Remember, though, that you must complete the course within 90 days.

The Mathis Group PMP® Exam Guarantee: In the unlikely event you do not pass the PMP® exam the first time, you will be able to review the course for 30 days and retake the exam. If you do not pass the PMP® the second time, you will have an additional 30 days to review the course and take the exam. If you do not pass the exam after the third attempt, The Mathis Group will refund the \$399 cost of the course.

Conditions:

1. The student must complete all course activities, tests, and activities provided.
2. If additional attempts are necessary, the student is responsible for contacting The Mathis Group to be reactivated in the course.
3. All three attempts must be within 120 days of the initial PMP® Exam Prep Boot Camp purchase date.
